Dear Parents,

A very warm greeting to all and here's wishing everyone a happy Chinese New Year. We are the newly formed ParentConnect Committee 2008, an informal organisation formed by parent volunteers with the aim to bring out the best in our children.

Whilst the Committee is new, the functions of ParentConnect remain unchanged. ParentConnect serves as:

- A communication channel for parents to express their views, concerns and suggestions to the School;
- A platform for parents to better understand the School's mission, objectives and strategies and
- A conduit for parents to be engaged in their children's school activities and at the same time provides an available pool of resources for the School to tap upon.

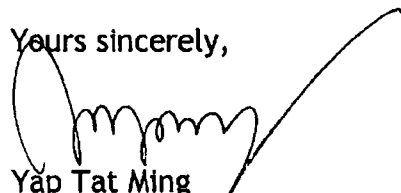

Underlying these functions are our beliefs that parents should be involved in the lives of their children and if we can, assist their teachers, thereby affording them to focus on their vital task of teaching. We believe the best way to fulfil the School's mission of providing quality education with strong rooted values, is when both teachers and parents work together. We also believe in having fun with our children at school.

Our main medium of communication is our ParentConnect website and Notice Board. We also have an existing current Class Representatives system, which is a network of "phone-trees" to reach out, disseminate news and exchange ideas with all parents.

Some of the upcoming interesting events include the Sports Carnival, Parent Forum, the School's own Amazing Race, Movie Outing, School Concert, Racial Harmony Day and the all-time favourite annual Sports Day and Teacher's Day.

ParentConnect belongs to all parents. We look forward to your participation, feedback and support, as we embark on another year of exciting activities.

Yours sincerely,

Yap Tat Ming
